

Resilience Lift Restorative Radiance Oil

WHY THERE'S ONLY 1

Silky-light oil restores and replenishes dry, dull, fatigued skin with a blend of natural essential oils—coconut, avocado and olive. Skin instantly feels softer, smoother, and looks more radiant.

SHOW HER...

Open bottle and breathe in deeply to awaken skin and experience the energizing scent. Use the push-button dropper to apply 2-3 drops of facial oil into your palm and press hands together. Gently press oil into back of one hand. The pressing motion slightly warms the skin, allowing the oil to penetrate more quickly. Compare hands.

BENEFITS SHE'LL LOVE

RESTORES—lightweight, fast-absorbing oil immediately restores dry, dull, fatigued skin.

RADIANCE—instantly the look of skin is healthy and more radiant.

RESILIENT—skin feels softer, smoother, more cushioned and comfortable.

IF SHE ASKS, SHARE

Nourishing phyto (plant)-lipids sourced from coconut, avocado and olive give skin nutrients to fight the look of fatigue and restore skin's natural radiance.

In consumer testing, women showed a significant improvement in immediate radiance.

Nourishing lipids strengthen the protective moisture barrier and help skin resist moisture loss.

WHO IT'S FOR

HOW TO USE

ADDITIONAL CLAIMS

Customers with dry and dull skin looking for an instant boost of hydration.

Use the push-button dropper to apply 3 drops in palm of hand. Press onto face, from the center out, and throat before your moisturizer AM/PM.
